digital marketing solution

Introducing the HD *Signage* solution!

Deliver your next marketing campaign remotely, and display rich, digital media on an iPad or HD screen.

Enhance the sales experience and create ongoing brand awareness throughout retail, medical, or hotel environments.

- Media 'pushed' to displays remotely
- 'Push' campaigns instantly or on schedule
- Interactive features for iPad displays
- Generate ad revenue from local market
- HD video runs 'streamlessly' without Wi-Fi
- Analytical reporting for all media and device activity
- Perfect for hotels, retail, waiting rooms, trade shows & more!
